

Welcome to America!

You will need to know how
brush your teeth!

Step 1:

Grab a nice colored toothbrush. Go to a store called Target, go to the section called bathroom supplies. Grab a tube of toothpaste and a toothbrush. They will be in a weird shaped

Step 2:

Go to your bathroom and get your toothbrush moist with water. Then take your toothpaste and squeeze just a little bit on your toothbrush. Your bathroom is a small place with a circular object that you use to urinate in.

BATHROOM

Step 3:

Move it around in your mouth for 2 minutes (but no one really does it that long). Spit your excess spit into the sink.

YOUR DONE!! And you have a moist
mouth!
